

THE MOLE AND THE QUEEN TURKEY

TOPÇULAR İLKOKULU

Chess Club

We learned how to play chess with Mole. It was very joyful. First, our teacher told us everything about chess in chess lesson once a week. So we are playing...

We watched cartoons of the Mole and his friends and danced with him. We tired but enjoyed too much.

Playing time in our garden ...Weather was sunny and we played with Mole.

The Mole told us some information about benefits of eating fruit. Especially APPLE...

The Mole in Art in our school

Our children made different activities with Mole. They used waste material, different paints, canvas etc...It was very amusing.

Cleaning Time...

We collected garbages in our garden and than washed our hands.
