We had a lot of fun with the Mole on International Children`s day. For example we played the fairy tail characters, we visited profesional theatre performance „At the crossroads“ Smiley with Thumbelina . We organised „nursery olympic games“ - it was at the same time farewell to the Mole and the whole project „The Mole and the Queen“.

We solemnly brought nursery project flag.

Children vowed that they will compete fair and referees vowed that they will referee fair.

let`s warm up...
