Program celoživotného vzdelávania

FROM SLOVAKIA

Autumn 2013
with the
Mole:

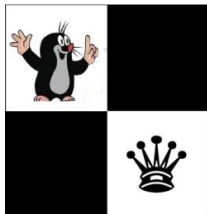

We started on
19th August
2013 at
nursery and
new children
started on
2nd
September
2013.

They had a lot
of activities
with the Mole,

they observed animals,
insects, plants in the park.

In October we had a big event in our nursery. All partners from the project visited us from 7th to 11th October. Our children learnt how to greet in other languages, performed with a short program, showed how they can play chess on interactive white board.
